Electric Clock Posts

I noticed, in Coimbatore, Electric Clocks mounted on ornamental cast iron lamp posts about 30' high erected at prominent squares to indicate the time of for the convenience of passers-by and submitted to the Second Member Council that similar clocks may be got installed in important towns of the State The Member approved my suggestion and ordered that one clock may be installed for the present in each of the District Head Quarters Towns and that the fund may be met from the Town Improvement Grants

From enquiries, it is learnt that the electric clocks are available for sale at Messrs Jalal and Sons, 46, Rattan Bazar Road, Madras and Messrs Gani and Sons, 55 Rattan Bazaar, Madras The cost of 24" clock with equipment is about Rs 400/- The cost of the ornamental post and erection etc , may come to about Rs 150/ to Rs-200/-

I request you to be so good as to take necessary action in the matter in consultation with the Chief Electrical Engineer I am sending a copy of this letter to the Chief Electrical Engineer to, with the concerned literature on the subject

Subject: Regarding installation of electrically wound clocks in prominent places in each of the District Head Quarters.

With reference to your letter No L 209/M 101-41-2 dated 10th July 1941 on the above subject, I have the honour to state that the Superintendent, Power and Light, Bhadravathi states in his letter No 1349 dated 16th August 1941 that the recurring charges to keep the clock going will be only the cost of the energy consumed by a 60 watt electric lamp, if it is fixed inside the clock and oiling charges amounting to, in all, Rs 75 per annum A copy of the said letter is enclosed for reference

2 The Town Municipal Council, Chikmagalur, who were addressed in the matter of undertaking the installation of the clock, have resolved on 11th August 1941, that they are unable to meet the cost of the installation of the clock, but they would pay the maintenance charges Copy of the resolution of the municipal council is enclosed The Municipal President has, in consultation with the Executive Engineer, Kadur Division , selected the oval opposite the quarters of the Lady Medical Officer as a suitable place to instal the clock

P T O.

As regards the question of the construction of a clock Tower, towards which, a contribution was expected from Mr M L Nagappa Setty referred to in the second para of your letter I have the honour to state that Messrs M Lachia Setty and Sons paid a donation of Rs.2.500 for the purpose, as against an estimated cost of Rs 23,500/- As this estimate was excessive, the work has been ordered to be postponed till -- sufficient funds are available In this connection, kind reference is invited to your letter No L 10123/M1 48-38-209 dated 6th June 1940

4 I request that the sanction of Government may kindly be obtained early for the grant of a sum of Rs 1,080/- for the purpose, out of the Town Improvement Funds.
